Newsletter Term 4 Week 10 2021

Principal's message

While none of us started 2021 expecting it would be a repeat of 2020, it has been! However, despite the impact of COVID-19 for the second year in a row, 2021 has still proven to be a year of many opportunities for Summer Hill Public School.

Students, a big thank you for the tremendous effort you have put into your learning and friendships at Summer Hill Public School. This year you have learnt and demonstrated the true meaning of RESILENCE, and from this you will continue to grow from strength to strength. Year 6 - all the best for high school and beyond. What you have achieved in your time at Summer Hill should take you a long way in life. We will all miss you very much. Keep up the hard work, and maintain the dedication you have to learn as much as you can while you have the opportunities school provides.

Teaching and non-teaching staff, thank you for providing the safe and inclusive learning environment and innovative programs for our students at school and at home – be it academic, sporting, creative and performing arts, extra curricula or simply fun and laughter. Despite the challenges faced during this period of rapid change, your professionalism and dedication to the students of Summer Hill Public School has remain unchanged, and perhaps strengthened.

Parents, carers and families, thank you for the support you have provided for our school even though your involvement has been impacted by restrictions, again. Your ongoing support has enabled us to provide a continuity of learning for our students ensuring each and every one experienced success in some way.

P&C executive, members and volunteers, thank you for maintaining your connection to our school, staff, families and the broader community throughout the year. The few community events we were able organise and participate in, have made a lasting impact on our school. Special mention and thanks to Helen De Wolfe, Freya Hartley, Gaye Ryberg, Amy Kitchener and Steve Clarke who will be leaving the school this year.

While we say goodbye to 2021 we will also be farewelling some of our temporary staff who will not be returning next year. Thank you Miss Edwards (congratulations for your temporary appointment as Relieving Assistant Principal at Belmore North Public School), Ms Sabljak and Ms Wylie. We wish you all the best in your endeavours for 2022; and of course look forward to welcoming you back if you will be returning in 2023 and beyond!

Finally I'd like to say thank you to everyone who helped keep our school safe and connected to learning throughout this year. Have a safe and relaxing holiday break. Merry Christmas!

Natalie Armstrong

Awards

SHPS | GO Forward

Deadly Kids Awards

Congratulations Tyler-Rose K from Year 6 who is this year's Deadly Kids Awards recipient for Summer Hill Public School.

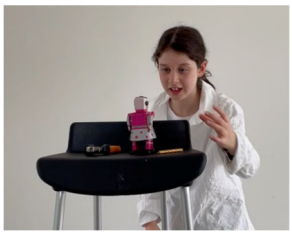
The awards ceremony will be launched live on the Department of Education's homepage and available on demand.

Parliament Ministers 2021

A huge congratulations to our Parliament Minister team for 2021. Last week they delivered their final portfolio reports across the school in a zoom Parliament session. Well done to a terrific team of resilient leaders.

State Digital Drama Festival

Congratulations Georgia H and Lloyd S for their monologue performances as part of this year's State Drama Digital Festival. Students from across NSW worked remotely to develop and film their works this year under the guidance of their tutors from the Department of Education's Arts Unit. Watch their performances and the rest of the State Drama Festival videos on the Arts Unit website.



Children's Day 2021 in India

Sidaarth K 4King won the Children's Day 2021 conducted by "I am an author" in India. Sidaarths' entry will be published in the form of a book. The list of winners has been published on their website

Kindergarten

What did we love about Kindergarten?

I loved going to the equipment and making Christmas cards – Rae N

I made friends – Theia B

I liked when Mrs Butler was being funny – Kyah D

I love that Mrs Butler teaches us – Rosie B

I liked doing all of the things my teachers taught me and I liked my teachers – Charlotte Q

I liked making new friends and having fun – Zakaria K

Stage 1

Congratulations to Aaron L in Year 1 who was selected as a finalist in the 2021 Young Australian Art Awards.

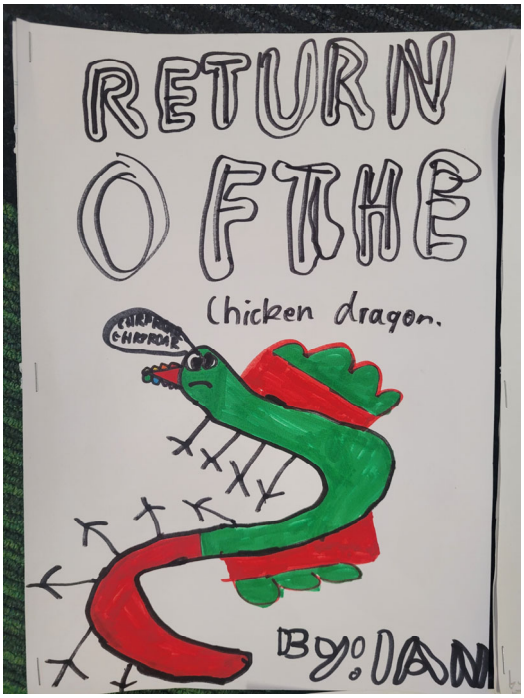
He received a Gold Medal Award for being the runner-up in his division for his artwork entitled "Me in My Leopard Hat".

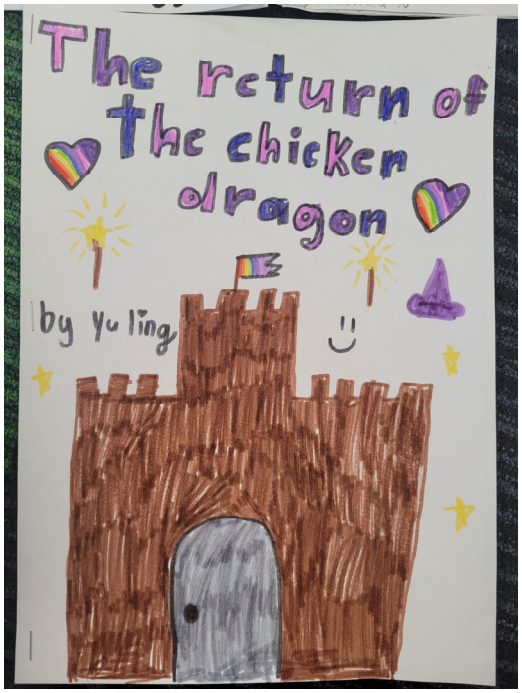
Across the stages

SHPS | GO Forward

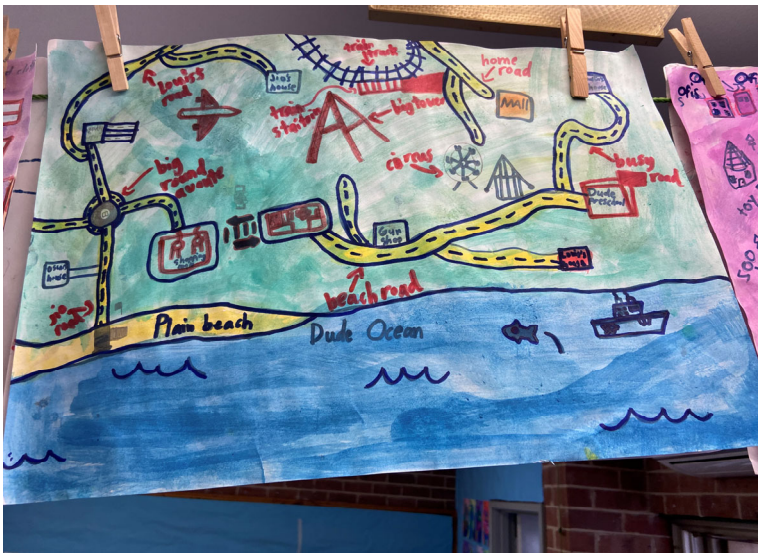
Stage 1 continued

This Term 1/2 Lutuli have been busy learning how to write narratives. They all created their own version of a story called 'The Return Of The Chicken Dragon'. The students had fun planning, writing, editing and illustrating their book. 1/2 Lutuli are very proud of their work.





During geography lessons students have been exploring people and places, and how we use the different spaces within the area that we live. Students learned about the features of maps, designed their own suburb and created artworks to show their understanding.



Across the stages

SHPS | GO Forward

Stage 2

Still life artworks

Stage 2 have been looking at drawings and paintings by different still-life artists. Students discussed techniques and created their own works of art f ocusing on detail, texture, shadows and shape.

Regards
Stage 2 teachers

Cubism Flowers

3/4 Ebadi created artworks in the style of Cubism. Students used bold lines and colours making the final pieces quite striking!

Stage 2 continued

Information Reports

This term, Stage 2 have been writing information reports about various topics. Students researched using websites and informative videos, taking notes to collect information. Using the writing process, students composed a first draft, revised and edited their work, and then published their final copy. Here are a few published examples from 3/4 Ebadi.

Regards
Stage 2 Teachers

Australia

Australia is an amazing place and has great open spaces. But you need to know a bit about it before going on any adventures.

The first people to arrive in Australia were the Aboriginal people and they arrived approximately 50,000 years ago. They took care of the land and only took what they needed. If they killed an animal, they wouldn't let any of it go to waste. Aboriginal people made weapons out of dead trees and they made their own instruments like the didgeridoo. They told their children dreamtime stories to teach them how to take care of the land.

Australia is home to many animals including the most deadly reptiles and spiders in the world. There is even 36 funnel web spider species. There are some rare animals that can't be found anywhere else in the world like koalas, kangaroos, numbats, wombats, Tasmanian devils, echidnas, platypuses, possums, emu, kookaburra, cassowary and many other mammals, reptiles, birds and amphibians. The Great Barrier Reef of QLD is home to more than 10,000 exotic fish.

Australia is also a great destination to have a holiday. You can go to the Opera House, the Harbour Bridge, the Great Barrier Reef, the Great Victorian Desert and many more. On other continents, people call Australia "the Land Down under". Australia is the smallest continent and the only country spread over a whole continent. Australia is located below Asia in the southern hemisphere. The seasons are in reverse, the constellations are upside down, and on clear nights you can see over 3,00 stars. Australia can range between scorching hot and a nice sub-tropical temperature.

By Jemma R

Australia

Australia is a country, continent and island, in between the Pacific ocean and the Indian ocean and underneath Asia. Australia is in the Southern Hemisphere of the world so the seasons are opposite to the Northen Hemisphere.

Aboriginal people were the first people to arrive in Australia 50,000 years ago. They cared for the land and they hunted their own food. They didn't let any of the food go to waste. They ate the meat and used the bones as weapons. They taught their kids lessons through dream time stories.

Australia is home to some of the most unique and incredible animals and some of the deadliest. That can be found nowhere else due to Australia's extreme climate and temperatures. Some Australian animals are Kangaroos, Emus, Koalas, Wombats, Echidnas, Platypus and Dingos.

Australia is a dry desert and tropical continent with lots of iconic places. Some iconic places are Uluru, which is a big rock at the heart of Australia in the Great Victorian Desert, which is the biggest desert in Australia. The Great Barrier Reef is home to 15,00 fish and is the biggest coral reef in the world and the Opera house.

Australia is a multicultural country with lots of refugees from all over the world. Australia has lots of food from other places and some weird food from Australia like vegemite. In Australia you can have great outdoor adventures too.

By Cameron

SHPS | GO Forward

Stage 2 continued

Australia

Australia is the only country that is a country and a continent. It is also an Island! Australia is a beautiful country with a rich past.

Aboriginals were the first to set foot on Australia. They lived in Australia 50,000 years ago and are still living today. Aboriginal people took care of this land, they never chopped down a tree and never took more that they needed. Aboriginal people told dreamtime stories which were stories used to teach children how to take care of the land. They used lots of tools like a boomerang which could be thrown to come back and didgeridoo which are long pipes used to play music.

Australia has many beautiful places, an example would be Uluru, the heart of Australia a 1,100 feet tall rock that is home to many Aboriginal people. There are many desserts in Australia the largest being The Great Victorian dessert. Another well-known place in Australia are Sydney Harbor Bridge and the Opera House. Australia is an incredible place that has many open places such as the blue Mountains, three sisters and The Bungle Bungles.

Australia has many beautiful and unique animals such as the famous kangaroo, some others are emus, koalas and wombats. Australia is home to 1,000 different species of reptiles including the Taipan one of the deadliest snakes in the world. There are also lots of spiders in Australia.

By Manula

From seed to plant

In science, Stage 2 have been learning about 'Living Things'. Students conducted experiments testing which conditions are the best for seeds to sprout and grow. The seeds were given different combinations of sunlight, water and oxygen. The results have been very interesting and unexpected!

SHPS GO Forward

Stage 3 - 5 Walesa

We have 'Voice and Choice' in 5 Walesa

This year, despite the challenges of learning from home, 5 Walesa have worked hard to design their very own 'Voice & Choice' projects. Students, either by themselves or in groups of 2-5, were asked to complete an open-ended task, inspired by the book Nanberry by Jackie French. The purpose of Voice and Choice is to teach students teamwork, develop their understanding of the cross-curriculum priority of Aboriginal and Torres Strait Islander histories, as well as take their learning to wherever they possibly can. The end product of each project consists of a creative, a written and a research component, and it was a mix of 3 things: metaphorical, physical and psychological thinking. Here are two examples of what we have been working on:

Learning Japanese By Amanda, Beverly, Evie

Our group chose to learn Japanese during Voice and Choice. Our end product is an effective and intuitive way to learn Japan's most basic alphabet, Hiragana, within the timespan of 30 days. Whilst our focus has been the learning and teaching of Japanese language, we have accompanied the teaching of this language with digitally drawn designs, in line with Japanese culture.

Each day, two Hiragana are learnt, the last days being revision and diacritics of the alphabet. It includes a pronunciation guide at the beginning of the course to teach the user the sounds of each vowel (when the Hiragana is written in English letters - Romaji).

By the end of the course, the aim is to have a comprehensive understanding of the basic pronunciation, writing and recognition of the characters in the Hiragana alphabet.

A few simple words are learnt using the revision tests.

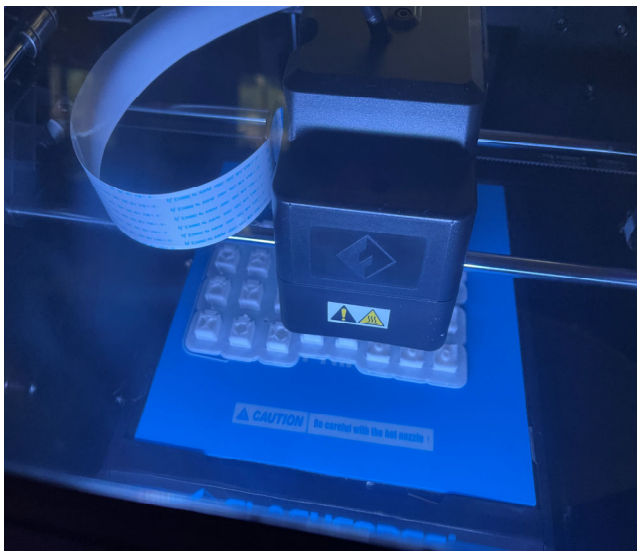
To help motivate the users of this learning course, we have included multiple congratulation pages featuring characters from Studio Ghibli and Pokémon.

We have immensely enjoyed working on this Voice and Choice project and look forward to working on similar classwork. The freedom to choose our topic makes for an interesting, fun and engaging learning experience.

By Amanda, Beverly and Evie

The Rubik's Cube Club

Over the past few weeks (and before lockdown this year), my group has been working on a project to teach people how to solve a Rubik's Cube, a puzzle that has baffled the general public in the almost 50 years it has been on the market. We strive to help people to learn and get into the hobby of cubing. Oumany tutorials that come with it, along with a 3D-printed Rubik's cube as the cherry on top.



The creative aspect is the 3D printed Rubik's Cube, designed with Tinkercad and could be functional. The written and research components are the tutorials and with little deets scattered throughout. As this is a team project, many hurdles have come and gone, and whilst our final items for this project are not far-fetched, as we haven't had much opportunity to work on it much due to the lockdowns this year. Returning to this project back in Term 4, Week 4 this year, the pace has been picked up, and we have succeeded in printing a 3D model of the pieces. This process was just one of the many obstacles that come with the project as a whole for us.

By Tim Z, Lawrence X, Michael N, Anish K and Shlok S.

Stage 3 - 5 Tobias poems

We have been studying figurative language and how metaphors are used a lot in poetry. Here are our tree poems:

Tree
Mossy, enchanted
Swirling, soaring, tinkling,
Twirling amongst the mushrooms
Fairy
Celeste

Tree
Tall, straight
Standing, marching, shouting
In long perfect rows
Soldier
Sasha

Tree
Graceful, elegant
Dancing, twirling, singing
Gentle as the moonlight
Ballerina
Finnbar

Tree
Bulky, safe
Protecting, keeping, fighting
Touching the sky
Fortress
Thomas

Tree
Loud, expressive
Vocalising, moving, overpowering
Making people smile
Opera singer
David

Tree
Beautiful, elegant
Fluttering, flying, soaring
Pretty purple wings
Butterfly
Eva

Tree
Moving, lying,
Crying, wailing, moaning
Lonely as a child
Alone
Alexander

Tree
Frail, spindly
Shuffling, creaking, groaning
Old as the dinosaurs
Ancient
Caleb

Tree
Light, shimmering
Moving, dancing, leaping
Spinning and twirling
Ballerina
Mila

Tree
Lonely, old
Fading, aging, toppling
To die alone was its destiny
Ancient
Xanthe

Tree
Tall, agile
Trying to be the best
Athlete
Caiyi

Tree
Tall, flexible
Stretching, bending, chanting
Jumps and reaches up to the sky
Cheerleader
Natalie

Tree
Beautiful, grand
Turning, flying, glistening
Dancing along
Ballerina
Lyrah

Tree
Hungry, grumpy
Growling, stomping, scaring
Roaring at people
Monster
Harmony

Tree
Observant, loud
Stomping, growing, laughing
Furious eyes
Monster
Hugo

Tree
Loutish, reckless
Crashing, banging, grabbing
Snatches everything it sees
Whomping willow
Era

Tree
Furious, loud
Stomping, shouting, roaring
Filling our hearts with fear
Monster
Namwook

Tree
Small, cute
Wobbling, wailing, crawling
Wants to grow bigger
Baby
Luca

Tree
Proud, confident
Singing, dancing, uplifting
Striding across the stage
Opera singer
Sangee

Tree
Robust, loyal
Marching, fighting, waiting
Smart and strong
Soldier
Rohan

Tree
Bright, tall
Stretching, hugging, growing
Thick and shining
Glowing
Jake

Tree
Powerful, independent.
Towering, swaying, roaring.
Breathing dangerous flames.
Dragon
Nayeli

Tree
Tall, smooth
Stretching, reaching, looming
As high as the sky
Skyscraper
Rafael

Tree
Strong, powerful
Shouting, running, battling
Fighting anyone in its path
Soldier
Leo

Tree
Bendy, pointy
Lifting, dancing, flying
Light as a feather
Ballerina
Tilly

Tree
Beautiful, shiny
Swaying, reaching, cheering
Shaking pom poms
Cheerleader
Audrey

Tree
Confident, proud
Spinning, twirling, laughing
Branches sway to the music of the wind
Dancer
Georgia

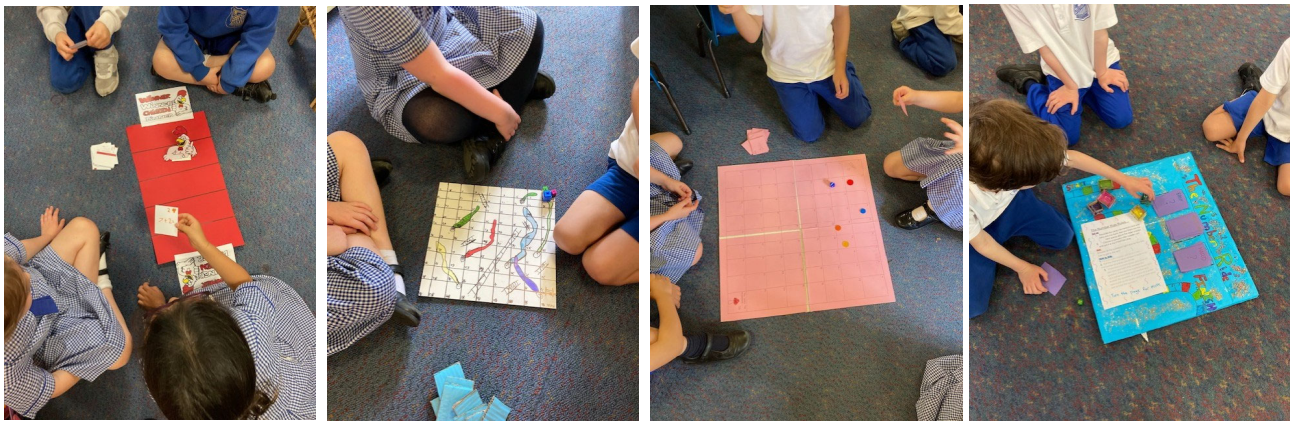
SHPS | GO Forward

Stage 3 - 6 Dunant

Before going into lockdown, 6 Dunant spent time with their Kindergarten buddies playing a variety of math games. They were then set the challenge to create a math game suitable for a kindergarten student. As a class, we spent time looking at the Early Stage One mathematical outcomes and each group decided on the mathematical concept they wanted their game to focus on. The students worked hard on their designs, creating a game which was both visually pleasing and educational.

On return to school after remote learning 6 Dunant continued to work on their games – hoping to be able to play them with their Kindergarten buddies. When we realised that this would not be possible, the Year 6 students wrote clear, simple instructions as to how to play each game.

We are happy to report our Kindergarten buddies loved playing our games. They even made beautiful cards and wrote letters to thank us.



Across the stages

SHPS | GO Forward

Stage 3 - 6 Hume

6HUME has read the book “The Chronicles of Harris Burdick” by Chris Van Allsburg.

It is about a stranger who left a series of images with a publisher.

We have created our own images in the same style as the mysterious Harris Burdick. We used photoshop to create the image, then came up with the title and caption to go with the image.

Can you write a story to go with the image?

UPON THE ROOF

She knew that a single wrong step, could drop her into the sky.

EMPTY PARK

The ball rolled past me, as I looked at the park, which unusually had no one in it. I looked over to who had moved it, but no one was there either...

THE CLOSET DOOR

“I opened the door, but all I saw was a replica of the room I was just in”

THE WATCHER

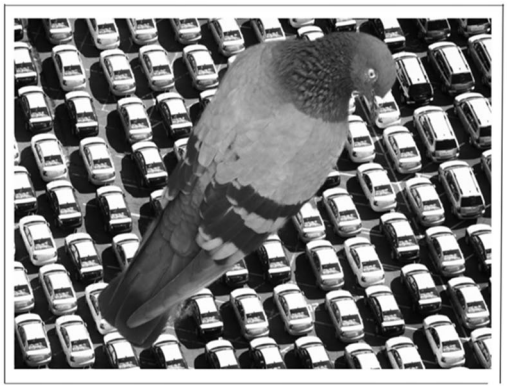
‘Go quickly, to somewhere they won’t get you’

THE ROOM IN THE GROUND

It’s a room in the ground. That’s not how physics works.

THE FANS

She seemed to be entranced



NEW IN TOWN

“That parking lot is deserted, you won’t disturb anyone.”

LOCKED

Four days later, the lock changed again.

SHPS | GO Forward

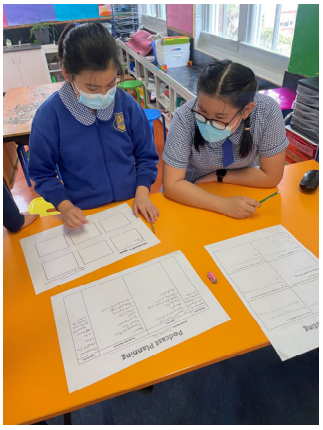
Stage 3 - 6 Santos

Podcasts

Since we have been back from Remote Learning, we have been learning about informative texts. We have been looking at different ways to give information including information reports, news articles, TED Talks and Podcasts.

Now we get to make our very own Podcasts about a topic of our choice! We have been enjoying brainstorming and planning and are now ready to record our podcasts. We are going to add in sound effect, music and maybe even a jingle – we can't wait!

6 Santos



Year 6 Dance Lessons

Are you ready to bust a move? Year 6 sure is!

In preparation for the upcoming Year 6 dance/graduation dinner, Year 6 classes have been taking dance lessons every Friday. They have been learning many different styles of dance including street-style hip hop, modern hip hop, old school hip hop and even Bollywood dancing! It has been so much fun for the Year 6's as they learnt how to dance in these unique and fun ways. Everyone is so grateful to their wonderful dance instructor, Jesi for teaching them. All of Year 6 enjoyed it and the teachers as well, and everyone is looking forward to showing off their new moves and grooves at the graduation dinner!

Drama

SHPS | GO Forward

Year 6 Film Festival

Congratulations to all Year 6 students for your wonderful films. Our festival was filled to the brim with over 40 entertaining and insightful short movies, featuring animation, live action, stop motion with lego and clay, puppetry, drama, comedy, skit and more. Many students were involved in creating their own musical soundtracks or sound effects for each other's movies. This year we have our own original song written and recorded with music video as well as a first time ever zoom choir film. Thank you to all students, teachers and families for your support. The films will be available online until 17 December on the Film Festival Website. Students need to log in with their Department of Education log in details to view.

Red Carpet Premiere

Students looked fabulous on the red carpet! Our film festival premiered on Wednesday 24 November. Year 6 students came to school dressed as the stars and the makers of the movies. Go to our Photo Gallery to catch all the wonderful red carpet photos.

Music

Notes from the music room

We have survived another year of lockdown education and it's impacts especially on the performing arts. I would like to thank all the students and parents for their perseverance and loyalty to all things musical in another difficult year.

Zoom is a poor substitute for performing all together but at least it has kept us connected.

I would like to thank all the students in the Advanced Recorder and the Ukulele Groups for their efforts throughout the year. I would especially like to thank all the year 6 students for their contributions over their years at Summer Hill and wish them all the very best in high school. I hope to see the other members of these ensembles next year continue as we rebuild our music ensembles.

It was wonderful to have an opportunity to perform at the Twilight Picnic to finish off the year.

I would like to wish everyone a Happy Christmas and New Year and have a wonderful, restorative holiday break and I look forward to new beginnings in 2022.

Donna Ross
Music Teacher

Year 6 ukulele

Year 6 winning song writing team

Sport

PSSA sport 2021

A belated Congratulations to the Open Girls Touch Football team and the Senior Boys Soccer Team for being the Champions for the Winter 2021 season.

Swimming Carnival 2022

The Primary Swimming Carnival will be held in the first week of Term 1 2022 on Friday 4 February 2022.

An electronic consent form has been emailed to parents of all students in Years 2 to 5 and parents of Year 1 students who will be turning 8 years old in 2022. Thank you to parents that have submitted the consent form.

Library

SHPS | GO Forward

Thank you

Thank you to all students and families for your support of our school library during another extremely unusual year. We know that at times it has been frustrating not to be able to visit the library and borrow library books as often as we would like but we hope that things will change for the better in 2022. Please assist us to have our library in good condition for the new year by checking at home for Summer Hill PS library books and returning them as soon as you can. We wish our wonderful Year Six students well as you move into secondary school, please remember to return our SHPS library books so that others can enjoy them in future.

Special thanks to Kate Flood and the fabulous team who run the Scholastic Book Club at SHPS, your hard work is very much appreciated. Our library benefits from this form of community patronage as we can use the points generated from book club sales to acquire lovely new library books, like the ones in this photo. These and other new books purchased from the Scholastic points will be available for loan in the new year.

Remember, reading makes you feel good … and you can do it anywhere! Enjoy some relaxed holiday reading from our Wheelers ebook collection, StoryBox Library (username: SummerHillPS, password: shps), or the Inner West Council libraries (check out their e-libraries for films, ebooks and audio books).

Two wolves podcast

Interview with Australian author Tristan Bancks, by Kayla B can be viewed on the library web page.

Summer Hill Scribbler

This will be a very special edition of the Summer Hill Scribbler as it will be our final one.

But not to worry a new generation of Scribbler will continue as our fantastic year five recruits will be carrying on our legacy.

Summer Hill Scribbler Term 4 2022 edition can be viewed on the school website.

P&C

SHPS | GO Forward

P&C President report

As the year draws to a close, we have some fantastic news to share the two events over the last weekend the Election BBQ and Twilight Picnic were a smash hit. Read more about these in the events update below.

The P&C is delighted that we could bring the community together in what has been a challenging year for all of us. If the success of these two events is anything to go by (subject to further easing of COVID restrictions) we are looking at a very busy social calendar in 2022. We welcome the community to share any ideas they may have for future fundraisers.

This is the last newsletter for the year the P&C will next meet on the 15th of February which will open with the Annual General Meeting (AGM). Note all P&C executive positions will become vacant at the AGM and will be up for election. If you or anyone you know is keen to be part of this wonderful organisation, please express your interest by emailing the P&C.

This includes if you would like to join and help a number of our sub committees (Fundraising and Events, Spring Fair, Sustainability, Gardening, Music) or volunteer for the used uniform shop. Visit the P&C website for more details.

We would like to take this opportunity to thank the P&C members, sub committees, the ever so helpful and growing parent and carer volunteer community, the kids. The principal and the teachers and all those behind-the-scenes worker bees that make this community tick.

A shout out to the parents, kids, volunteers and teachers who are leaving the school this year you will be missed. Thank you for passing on your knowledge the school is a better place because of your contributions to our tight knit community. Special mention and thanks to Helen De Wolfe, Freya Hartley, Gaye Ryberg, Amy Kitchener, Steve Clarke and Mark Warnock.

Wish you all the very best of the holiday cheer may you all enjoy your break in a safe manner and we look forward to seeing you all in the new year.

Take care,

Nilesh Deshmukh
President SHPS P&C

Social: https://www.facebook.com/summerhillpublicschoolpandc
Website: www.summerhillpandc.org

Scholastic Book Club

Big thanks to everyone who ordered from Scholastic Book Clubs this term, we had a record $10K worth of books delivered to little smiling faces in their classrooms. Mrs Grimmett now has $2,000 to spend on new books for the school library. Thanks also to the volunteers who help sort the books twice a year.

Events

We had a big weekend for events with the Election BBQ on Saturday 4th, including a year 6 fundraising cake stall and the Family Twilight Picnic on Sunday 5th.

We raised $17,500 over the weekend, which will go towards our fundraising goals - upgrading the main playground equipment and shade sail, creating a new mindfulness space (behind the hall) and improving the K2 playground seating.

The Family Twilight Picnic on Sunday was a great success and it was so lovely to have our school community back together to mark the end of 2021. We heard our children play instruments live, a big thanks to Cathy Chan and all the bands and orchestras who played on the day. Donna Ross and her brilliant ukulele band played Christmas songs. We had jumping castles, a sausage sizzle, gozlemes, gelato, market stalls from local creators and the big hit of the day - Zoe and her stick insect stall! Who knew some of us would be going home with a new pet!

A huge thank you to all the parent volunteers, you make it all possible.

Thanks also to our generous sponsors for donations for the raffle and the silent auction.

Used Uniform Shop

Only 1 more week to place your order for second hand uniforms! Buy online at https://www.summerhillpandc.org/s/shop.

Orders placed after Sunday 12 December will be held over until Term 1, 2022.

We're always looking for donations, so if you're having an end of year uniform clean out please drop any unwanted uniforms items into the school office. Please ensure uniform items are washed and good quality. Donations don't have to look brand new, but we can't accept ripped or stained uniforms, or non-uniform items. Please consider other avenues for recycling your used shoes, socks or non uniform clothes, including uniforms from other schools - we can't sell these in our shop!

A very huge thank you to our incredibly generous group of volunteers who turn up every week to sort uniform donations and fill orders - with your help we have raised thousands of dollars for the P&C to put towards their goals for 2022. If you're interested in volunteering next year, please drop us a line at shpcunishop@gmail.com - you only need to give up an hour or so once or twice a term. There are lots of benefits to being involved, including meeting some fabulous new people and getting access to all the best second hand uniforms!

SHPS PUBLIC SCHOOL TENNIS CLUB 2022

ANZ Hot Shots | Leichhardt Tennis Academy

CONTACT: Phone: Neil Armstrong 0404 845 925 Email: leichhardttennisacademy@gmail.com

TENNIS HOT SHOTS

ANZ Tennis Hot Shots programmes provide kids with a fun way to play tennis, using modified nets, racquets and balls. With reduced court sizes younger players have the chance to serve, rally and score from the first time they step onto a court. Kids are actively engaged having **FUN**. Kids build **SOCIAL** skills such as working co-operatively and building friendships. Kids learn to **PLAY** and develop tennis **SKILLS**.

DATE: TERM 1 to 4 2019 (MONDAYS)
TIME: 7.45 – 8.45am
MEETING PLACE: School Soccer Pitch
COST: ($23 per lesson + card/account fees applies)
NOTE: ALL CHILDREN ARE UNDER THE SUPERVISON OF QUALIFIED COACHES FOR THE DURATION OF THE LESSON'S
(Pro-rata rates for late enrolment)
HOW TO ENROL: Email Neil at leichhardttennisacademy@gmail.com or call 0404 845 925

For your information

- These programmes are specifically aimed at boys and girls of primary school age.
- Children cannot be accepted without a completed enrolment form.
- For the most enjoyment it is preferable that each child has their own tennis racquet.
- Our coaches will turn up irrespective of the weather conditions.

SPECIAL
Add $35 to buy a Junior BABOLAT tennis racquet.
Add $10 to buy 3 starter tennis balls, great for at home.
All equipment is specially modified for children
