

# How to use closed captions and vary speed on Story Box Library

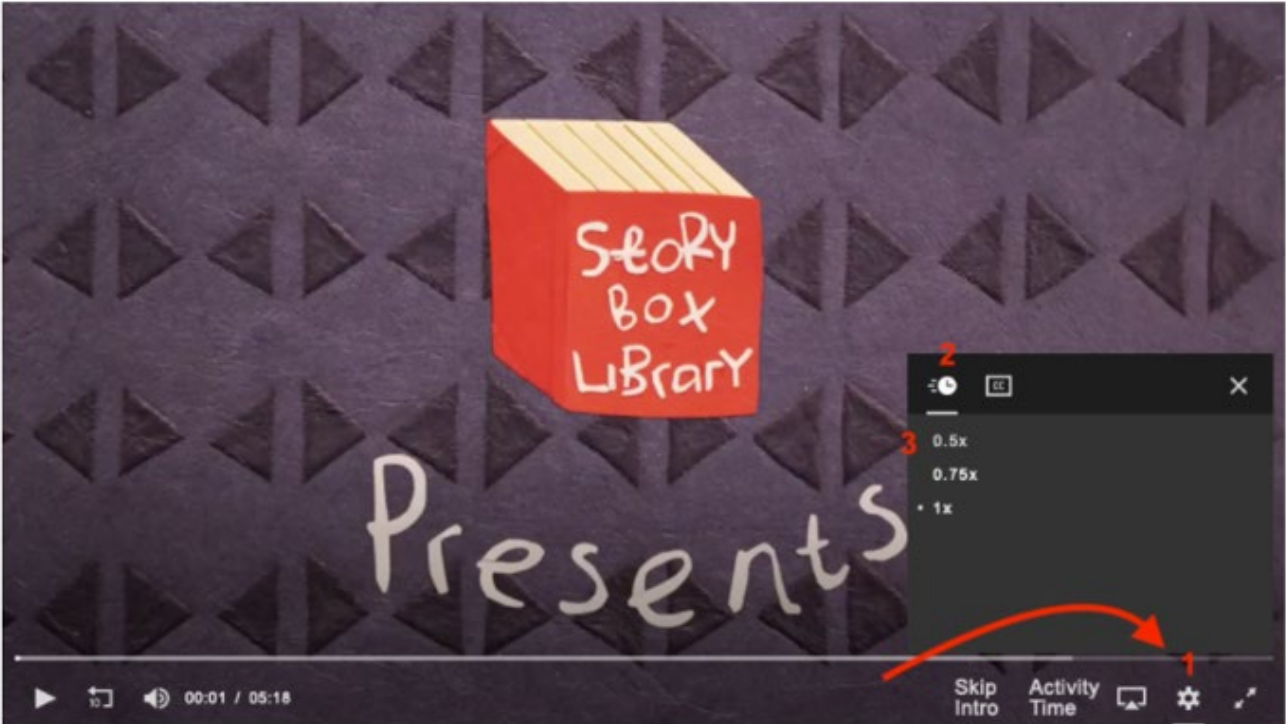

- 1 Login to [Story Box Library](#) with the username SummerHillPS and password shps

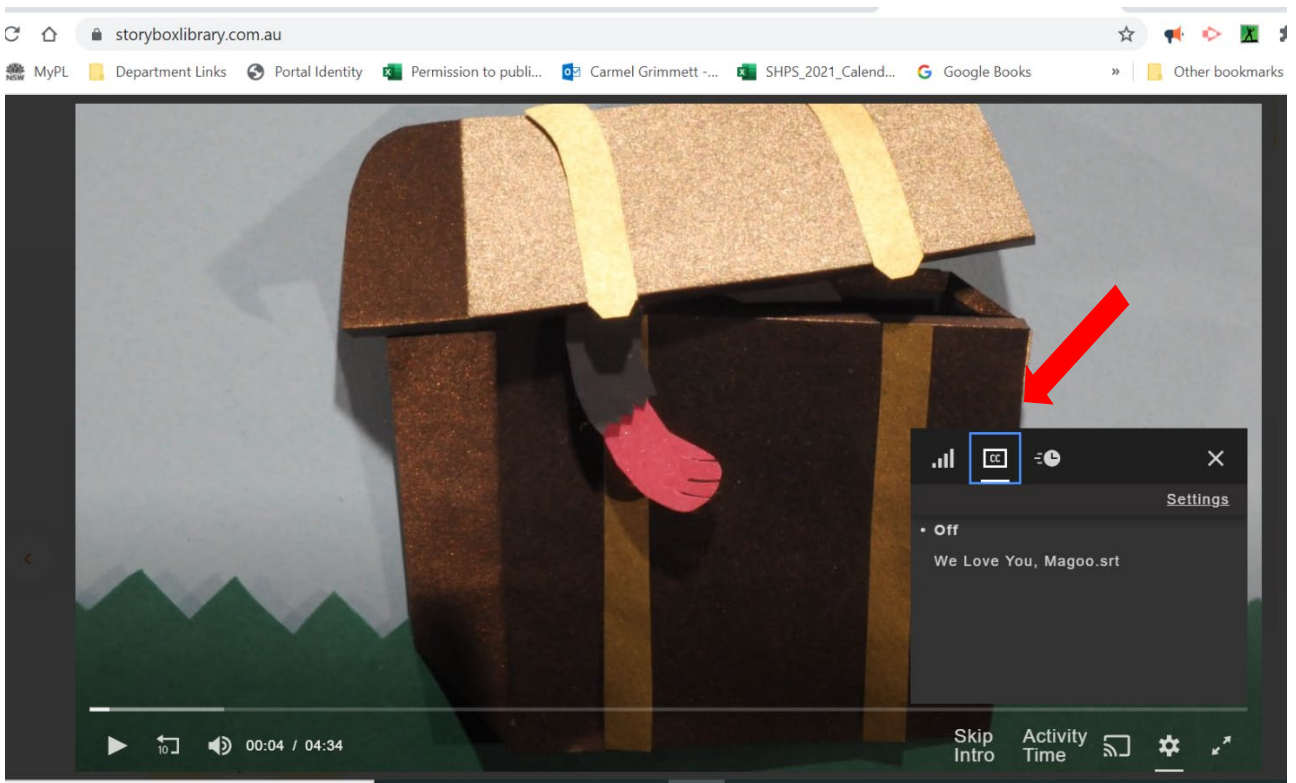

- 2 Choose the story you would like to watch and click to play

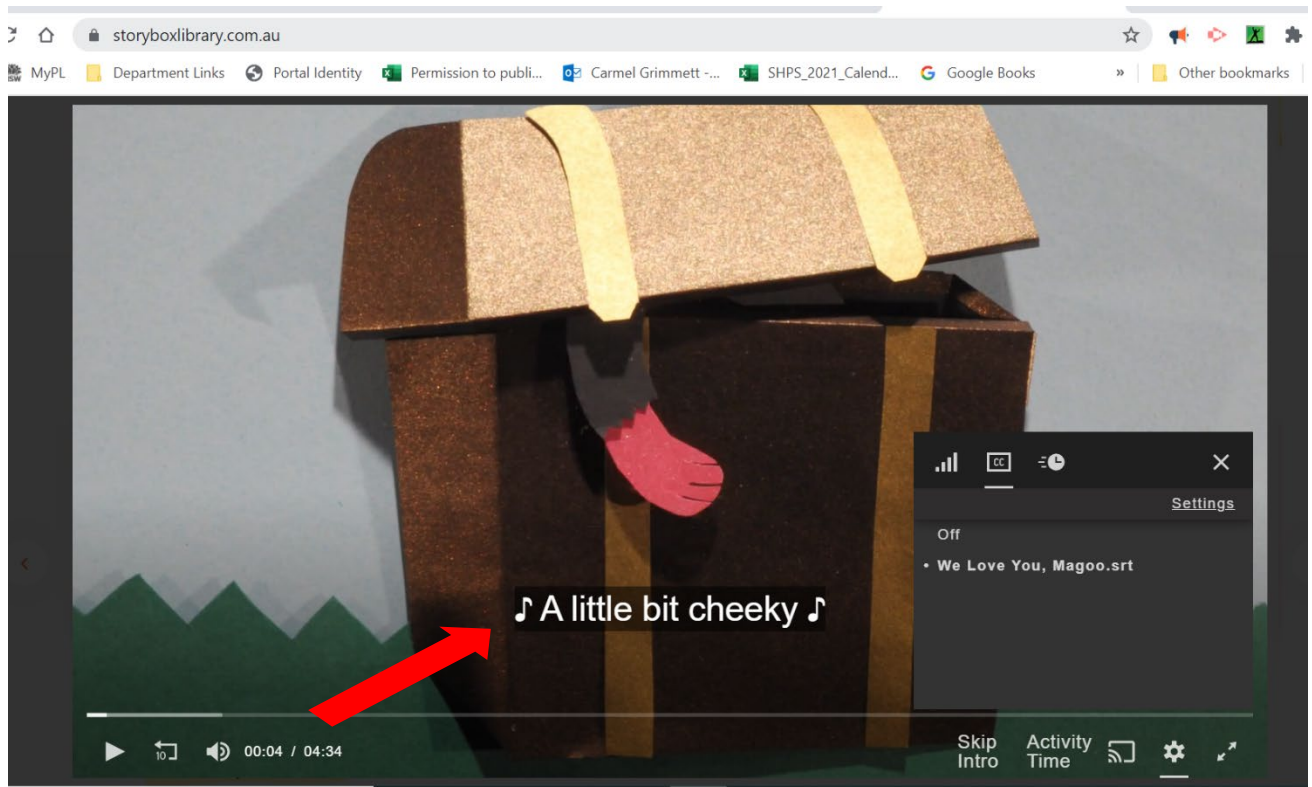

- 3 The viewing speed can be varied:
- 1) click or tap the 'cog' icon in the video player controls
  - 2) click or tap the 'clock' icon in the menu
  - 3) click or tap on the required speed (0.5, 0.75 of 1.0 times normal viewing speed)

- 4 Choose the closed caption icon

5 Closed captions look like this

6 Story Box Library also offers Auslan interpreters with some stories:
