

SUMMER HILL SCRIBBLER

This will be a very special edition of the Summer Hill Scribbler as it will be our final one. But not to worry a new generation of Scribbler will continue as our fantastic year five recruits will be carrying on our legacy.

First off, thanks to these amazing Year 2's Lola.H and Romany.H for making this amazing feature article Miss Know It All. They got questions from 1 Leymah, 1-2 Latuli and 2 Cassin as you can see on this incredible poster they've made. And their answers to the questions are hilarious.

Over the past few weeks we have had many exciting events such as the Year 6 cake stall, The Twilight picnic as well as the Film Festival.

On the Election day some parents and willing students took charge of the bake sale to raise money for the Yr 6 gift! We give a special thanks to Helen De Wolfe for her hard work and commitment in this fundraiser. Thank you for all your years of helping our school and thank you to all the other volunteers at the bake sale. You guys were great. Another event that happened recently was the Twilight picnic. It happened on the 5th of December. The Twilight picnic was full of food, fun and entertainment. We watched the band play beautifully and ate delicious sausage sizzles.

The last event was the Year 6 film festival; it premiered on the 24th of November and the online release happened at 7pm that day so parents and other family members could watch.

Year six students walking the red carpet

Thank you to Miss Ross, Miss Biffin and Miss Anton for making this Film Festival come to life without you it would not have been possible. Also good job to the students who have put heaps of effort and time into making these films

Isabella G, Claudia H, Georgia W and Marlie G are hoping to pick some willing year 5 students to continue the Student Scribbler next year.

The creators of the scribbler have worked hard with the articles every term giving up some of their lunch and class time to work on it.

Thank you so much for reading our final edition and we can't wait for the fabulous Yr 6's of 2022 to continue on with our legacy. We would like to give one final shoutout to Miss Grimmett for helping us create this student run newsletter. This has been Marlie G, Isabella G, Georgia W and Claudia H signing off for the final time.
