

Riddle of the Tumpalar

Cass could see the ground shake. She heard Carl scream " Were are you Cass? I can't see you. Are you Ok"? Cass's foot slipped off the branch. She cut her self on the sharpest bit of bark. A bit of blood dropped. Carl felt the drop of blood. He knew something went wrong. Cass was hanging from two hands. Her shirt ripped she thought " Oh no! What am I going to tell mum". Cass could smell her hands burn. She knew this was the end!!
