Spring Fair Artwork Competition

The Summer Hill PS Spring Fair will be taking place on Saturday 7 November and is the school's biggest fundraiser of the year. Three weeks ago we launched a competition at school for students to design the artwork for the poster advertising this year's fair. The artwork will be reproduced thousands of times. Posters will feature prominently throughout the community in shops, local businesses and a letterbox drop. I would also like to thank once again the local artist, Rachel Honnery, for helping judge the children's artwork. This year we received many entries and the standard was very high. Instead of selecting just one winner, we have chosen four artworks that will appear on the poster, and one of those artworks was a combined effort. Congratulations to the lucky winners:

Echo L 2JG, Evelyn C 2JG, Hannah G 6AW, and joint effort from Mia, Amelia and Holly from 4DG. These students will each receive a free rides wristband to use on the fair day.

Lend Lease Community Day

Planning is underway for the Lend Lease Community Day on Thurs 17th Sept - all day. There will be over 40 volunteers working tirelessly throughout the day to complete a long list of jobs. We are also very lucky to have Richard Heads, Landscaper, assisting us on the day. I would like to take this opportunity to thank Helen De Wolfe and all our wonderful parents who are leading each of the teams on the day. What a fabulous school community we have!

Sad News

It is with great sadness that I inform the community of the passing of Mr Gerry Rowan, a wonderfully committed Catholic Scripture teacher who dedicated more than 5 years teaching our Year 3 and Year 5 Catholic scripture classes. Our deepest sympathy goes out to his family.

Staff News

I will be taking Long Service Leave from Friday 9 October and will return on Monday 2 November. During my absence, Ms Jane Williams and Mr Mark Warnock will share the role of Principal. Mrs Mandy Worth will be teaching 3WW.

Friday Years 3-6 Assembly

Please note: Our Awards assembly on Friday will be held at 9.30am in the hall. Due to the large number of Gold Awards, I will not be able to hand out the ICAS Writing and ICAS English High Distinction and Distinction Certificates. I will be asking students who have achieved these awards to stand and be acknowledged. We are very proud of their achievements and apologise that we are unable to individually recognise their results.

Lost Property

The lost property bins are outside 5TK's classroom and are overflowing. Please check for your child's hat, jacket, lunch box or drink bottle before the holidays. Thank you.

Exploring the role of children's use of in-between spaces within school environments in Australia in children's development of their sense of agency

Project summary

This study aims to explore the potential role of children's use of the informal environments of schools (the in-between spaces) in children's development of their sense of agency. The aim is to identify the nature of these physical settings and their role in children's preferred activities, to better understand their potential value to both staff and students within the context of students' schooling. The proposed study is a multisite qualitative case study to be completed with children, aged between 8 and 10 years (grades 3- 5), in three schools in Sydney. Fieldwork in each school would be carried out over a four week period. In that time behaviour mapping of children's play around the school would be conducted during the recess and lunch time periods over the four weeks. In parallel with this process, 20 walking interviews around the school grounds and up to 6 focus groups (of 2-3 students) would be completed during the same four weeks. A summary of the findings from the study will be provided to the schools. These will offer insight into children's motivations for using the informal environments of their schools and assist in identifying the key characteristics for the success of those environments in children's lives. The benefit for students and staff will lie in a greater understanding of the value of these informal spaces in children's school lives and learning outcomes. This could be used to advocate for their importance in school environment designs of the future. This research project will begin in Term 4 and permission notes will be sent home to students in Yrs 3-5 in Week 1. We are very excited to be involved in this project, and look forward to the outcome.

Skoolbag App

Our School now has our own Skoolbag iPhone and Android App to help us communicate more effectively with our Parent/ Student community. We are asking parents/students to install our Skoolbag School App. An email will be sent out to all parents this week containing the username and password to access Skoolbag App. To install it, just search for our school name Summer Hill Public School in either the Apple App Store, Windows Phone, and Windows Store or Google Play Store. Please visit the school website for further instructions on how to install Skoolbag App or contact the office for the password and username. Further instructions are on page 10 of the newsletter.

The Partners in Learning parent feedback survey

Thank you to our parents who have already completed this survey.

Our school is participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated. Parents and carers access the survey via this direct link:

https://nsw.tellthemfromme.com/j_acegi_security_check?j_username=parent17261&j_password=Sum3129

Art Show

The Art Show was a great success and I would like to take this opportunity to thank the many parents who generously gave of their time and energy to make it happen, especially Selina, the Team Leader. These events can only happen with the support of our wonderful school community. I would also like to acknowledge the ongoing commitment of Ms Alison Wagstaffe, whose creativity and passion encourages us all to continually improve each year. We have put student artwork from the Art Show on display in the Office, along with our Picasso Cow. Come and have a look!

School Website Survey

We are always looking at ways to enhance the quality of communication between our school and our parents. One of the key communication channels is our school website [insert your school web address here]. The department is looking at enhancing the quality of our school website and would really like to get your feedback as a parent about the type of functionality on the website that would help improve the communication between the school and you.

We would really appreciate if you could take a couple of minutes to complete the following online survey.

The survey is located at: - <https://www.surveymonkey.com/r/WSVSCXG>

Thank you for taking the time to give us your feedback and help us make our school website even better.

PREMIER'S SPELLING BEE

At the beginning of Term 3 all children in Grades 3-6 participated in a class spelling bee. Each class sent two representatives to compete in the grade finals. The winners of these hard-fought competitions were Jade C and Veronica R-L (Stage 2) and Metilda Y and Rohan G (Stage 3). These clever spellers represented Summer Hill PS at the regional finals at Harcourt Public School on September 15. Veronica got to level 4 and got out on the word "byte", Jade got to level 8 and got out on a very difficult word starting with "e". We look forward to hearing about Metilda and Rohan's results.

SYDNEY EAST SCHOOL SPORT

Congratulations to Laura M from 4DG and Rohan G from 6SH who have both been selected in the Sydney East PSSA Regional girls and boys cricket teams respectively. You are both part of our sporting history now!

LENLEASE COMMUNITY DAY-Thurs 17th Sept

Every year Lendlease employees partner with community groups around the world to work together in schools, preschools, refugee centres, animal shelters, soup kitchens, bush regeneration areas and much more.

On Thursday 17th Sept, 35 employees from Lendlease will be working at Summer Hill School along with other school community volunteers on various gardening, painting and small building projects. Lendlease has donated \$50 per volunteer and materials have been donated by Boral, Ashfield Council and Dulux.

HELP FEED THE WORKERS. Can you donate a packet of sausages, a loaf of bread, a salad or a cake?

EQUIPMENT.....can we borrow your wheelbarrow? Shovel?

Please contact Helen 0408003757 or dewolfies@yahoo.com.au

RSPCA BAKE SALE

Saskia M (5JR), Grace F (5SP), Lucia D (5SP) and Ruby M (3ES) raised \$272 for the RSPCA at their bake sale on Saturday, September 5. Thanks to everyone from Summer Hill Public School and the community who bought cakes or donated money on the day.

SCHOOL BANKING VOLUNTEERS

School banking is carried out by parent volunteers each week. If you like counting money and doing a bit of data entry this is a great way to contribute towards fundraising for the school. A percentage of deposits each week goes to the school and the kids have the opportunity to learn about saving. We currently have 4 people so its a once a month commitment. We are ideally looking for 2 more parents as 2 of our current volunteers will finish up at the end of the year. We will train you and it is a pretty straight- forward job. Please feel free to send any questions or expressions of interest to Emma Britton at mmbrrtn@yahoo.com.au

It was an excellent day. Great day girls!

The boys managed to come second in the heats and third in the final gifting them a spot at the State [NSW] athletics carnival. They will be competing against people from all over NSW. The boys did well and defiantly deserved a spot to compete at State.

800 metres

On the 1st of October the regional championships were held at the Olympic stadium, Homebush. It was a wonderful day with lots of events throughout the day. For the 800m there were two people from our school competing in the event Emily.S (6GB) and Ella.H (6AW) they did an amazing job and made Summer Hill Public School very proud. Well done Emily and Ella.

High Jump

Regionals High Jump started off with a bang as Max Rider jumped in the junior boys competition. Ella H jumped and came 4th in her age group. Then Dexter S jumped his way into the eleven years boys' competition. Then Sienna jumped 1:38 but unfortunately was disallowed to jump further as she took to many passes. Then Oliver G jumped in the twelve years boys high jump coming sixth with a height of 1:35.

Long Jump

On the 1st of October Summer Hill Public School competed in the regional championships as a part of Western Suburbs. This year we had the most amount of students from our school going onto State. In Long Jump Sienna U from the 11 year girls came 3rd with a jump of 4.16 metres. In the 12-13 year girls we had two competitors Ella H and Emma K. Ella came 4th with a jump of 4.01 closely behind Emma who had a jump of 4.12 metres putting her in 3rd place. Although Ella didn't continue onto state for that she did earn points for our zone (Western Suburbs). In 12-13 boys we had Leo B-D who unfortunately didn't get a placing although he had a great jump of 4.20 metres. Well done everyone!!!!

SYDNEY EAST CRICKET TRIALS

For all cricket lovers, playing at the SCG is something they dream of. After a grilling zone trial, Joshua L and I were proud to be selected to play at the SCG, on September 10th for the Sydney East Regional Cricket team. In spite of the excitement of knowing the renowned location we were trialling at, the butterflies fluttered around our stomachs. Yet, we both had a goal to make it into the squad, and we knew that our emotions could not take over our skill.

While both of us assumed that there would be around 30-40 kids, we were startled to understand that 70 kids were trialling. Each and every cricketer that came to the trial had the same mentality and vision like us, and it was game on! As expected, the standard of cricket was very high, with the sound of a ball hitting willow reverberating around the indoor nets. Yet our determination was not deterred.

Unfortunately, Joshua suffered from an injury and could not continue to trial. My constant accuracy and pace when bowling helped me to be picked in the squad of the first 34. While the rest of the trial was grueling, I used all my energy and managed to be selected in the 17man squad. I was extremely satisfied, and while Joshua was very unlucky it was an experience both of us would cherish.

While we were both exhausted, it felt thrilling to have completed a trial at the SCG nets. It seems that we have followed the footsteps of the many players who practiced in these same nets, such as Sachin Tendulkar, Ricky Ponting and Sir Vivian Richards!
