

Principal's message

At Summer Hill Public School we value the contribution to the school community of the work done by School Administrative and Support Staff. This week we are celebrating SAS Staff Recognition Week. It is a week to acknowledge the contribution of the staff who work in the office, the library, in the school grounds, and in the classrooms. I would like to recognise the work that you do and thank you for the contribution you make to our school, in particular our students. Thank you Carolyn, Eve, Sarah, Kathy, Kris, Angela, Christian, Paula, Susan, Eva, Steve, Madeline, Sheila, Frances, Teresa, Janne, Melissa and Con!

We have had an incredible few weeks at Summer Hill this term, with a lot of events, successes and achievements to celebrate – here are just a few. We celebrated Education Week with a special day for our grandparents and older loved ones; and Book Week was a highlight with our annual character parade. Many students have competed in athletics track and field events – successes of individual students include Irini for breaking the junior girls shot put record and Julia M for breaking the junior girl's 1500m record. Irini will also be going to the Nationals for shotput, along with Freddie for the 10 year old boys 200m and Claudia M for the Australian cross country championship. Zoe C Year 5 and James S Year 6 were successful in obtaining a place in the 2019 Primary Drama Workshops with Australian Theatre for Young People. They participated in the workshops on Thursday 15 August. Well done! Our PSSA teams have also demonstrated their skills during the season, with senior B netball and senior girls' touch football winners for the season.

We continue to welcome special guests at school events. Mr Dummett principal of Canterbury Boys High School recently visited our school to present Year 6 students Benjamin, Andy, Vivaan and Zoe with their trophy for winning the Academic Challenge Day at Canterbury Boys HS. Mr Dummett also presented the Year 3 – 6 students with their gold awards! Moonbie Street preschool joined us for our character parade...so cute! State Library of NSW Senior Education Officer Pauline Fitzgerald lead our Student Voice Initiative in the library; a number of students will be creating an audio appreciation of a chosen artwork for the State Library. Finally, Year 5 students are digging deep into their design thinking projects with the Catalyst Lab (lead by Mr Williams), and Dr John Martin is coming for a talk/discussion with them on Thursday the 29th of August. Dr Martin is a lecturer at UNSW at the School of Biological, Earth and Environmental Sciences and he also does a bit of work with the Royal Botanical Gardens. His expertise is partly connected to native bird life (www.rbgsyd.nsw.gov.au/hollows-as-homes/hollows-as-homes/) and will help the students with their projects.

Our new bubblers were installed. A big thanks to the P&C for contributing these to our school – they are very popular with our students! I would also like to thank the community for ensuring the safety of our students as they travel to and from school. Safety is optimised when drivers follow the road rules, adhere to speed limits and obey street signs. I look forward to seeing you at the next few P&C events – in particular the Fathers and Special People brekkie on Friday morning, followed by the Wear it Purple picnic in the afternoon. Of course, our P&C adults' only fundraising event this Saturday night is promising to be lots of fun! I look forward to seeing you at one or more of these events.

Thank you for taking the time to read about what's happening at Summer Hill Public School, we are very excited to report what our students have been doing. Lowrey's Deadly Award 2019

Student news

Last Friday I went to UTS university with Mum and Sheila to receive my Deadly Award. I received the award because I try really hard at school and am kind to others. It made me feel very happy and proud of myself. Mum and Sheila and Ms Armstrong were also proud of me and congratulated me. There was a young man playing the Didgeridoo and also children doing a dreamtime dance. It was quite a long day and I was hungry at the end of the ceremony. Luckily they had some mini quiches and pies and then for a special treat we went home in Sheila's car with a stop off at McDonalds. What a great day!

RSPCA

Cupcake stall

It's Georgia. You might remember me from the RSPCA Cupcake Day, which by the way was a huge success! We raised over \$600 (\$634.55 to be exact). I would like to thank everyone whether you bought some treats, helped out or baked some delicious treats. Remember that all profits will go straight to the RSPCA. You have helped hundreds of animals across Australia (both big and small) and I couldn't be happier! Just \$20 goes to feed a small kitten for one week. With all we raised that's a lot of kittens!!! Thank you again and I'll see you around.

Georgia 5AW

Georgia's fundraising efforts and community spirit were recognised by school staff, who nominated her for a Wests Ashfield Community Citizenship Award. Georgia's efforts were recognised and she came runners up - winning \$1000.00 prize money for our school and a \$250.00 donation to the charity of her choice, the RSPCA. Congratulations Georgia!

Library Update

Thanks to our wonderful school community for supporting our annual Australian Children's Book Week festivities. Thank you to all students, families (wow, there were some home-made works of art worn this year!) and staff of Summer Hill Public School for your enthusiastic support of our annual Book Week festivities. It is really something special to see everyone from the tiniest visitors from Moonbie Street Pre-School to the tallest year six students, turn out to celebrate all things literary and to do so with such a sense of fun! Special thanks to our fabulous ukulele buskers, together our school raised \$412.00 to contribute to the Indigenous Literacy Foundation.

Visiting authors Randa Abdel-Fattah (Y3-6) and Juliette MacIver (K-2) each presented thought provoking ideas about the 'secret power' of reading, the flipside to the craft of writing, to enthralled groups of students. The author visits were definitely an opportunity to celebrate the Book Week theme: 'Reading is my secret power!'

NEWS FLASH – NSW Premier's Reading Challenge 2019 closes this Friday 30th August.

Last chance to complete entries in the NSW Premier's Reading Challenge 2019! Congratulations to the 177 Summer Hill Public School students who have already completed the NSW PRC this year.

Waste Free Wednesday Term 3 Week 7

You can complement the P&C's Fruit and Veggie Month project and our school's environmental initiatives by helping your child pack a Waste Free Lunchbox on Wednesday, 4 September. Packing a waste free lunchbox is one small way that kids can make a big impact on reducing the amount of waste we send to landfills. Waste free lunches are often cheaper and healthier too!

PSSA Touch Football End of season 2019

Congratulations to both the junior boys and the open age girls touch football teams for their performances in the WSPSSA grand finals recently held at Mason Park. The boys were unluckily defeated 5-4 in extra time. Clearly the best two teams in the comp, the match was a wonderful battle with the lead changing several times throughout the entire match. Extra time also saw both teams go very close to scoring only to be denied by last ditch defence. With only 20 seconds left on the clock, Strathfield North dived over in the corner to secure the win. The match was a fantastic spectacle full of quality football. Coach Mr Otto said "Every child gave his best and the team played an exceptional match. I am very proud of all of our players. I really hope every boy in the team returns next year for touch football trials."

Our girls team, who were missing three players, also played an exceptional match to defeat Strathfield North 7-2 in their grand final. It was touch football at its finest with outstanding attack and strong and fast defence on display from all players. "This was a wonderful way to finish the season. Summer Hill were clearly the best team all year and today they showed why with excellent teamwork, brilliant tries and swarming defence. The girls have been a pleasure to coach", said coach Mr Kay. Most importantly, our three teams-juniors, girls and seniors-all displayed outstanding sportsmanship throughout the entire season. They were a pleasure to coach and take to games as reps of our school.

PSSA Girls Football End of season 2019

Seniors

This season was fun and eventful and even though we had our ups and downs we tried our best and had a good time. We had a successful season and managed to make it through to the semi-finals. Charlotte H, Sigrid and Zoe L were amazing goalies, hardly letting any goals through. Angela, Cana and Susie were outstanding at defending and protecting the goal. Amelia and Echo were great at fearlessly rushing to the ball. Our attackers, Charlotte B, Arissa, Harriet, Jio and Penny scored many goals throughout the season. Lucie, Olivia and Zoe C worked hard in the midfield and put a lot of effort into dribbling the ball back and forth. Everybody has improved their skills and had a great year.

By Angela, Zoe L, Jio and Lucie.

Junior As

This season the Junior As made it to the Preliminary Final but unfortunately we lost to Abbotsford 1-0. Our goalie, Irini, was amazing. She barely let in any goals. Our main attackers, Pippa, Freya and Annabella were awesome and over the season everyone had a turn in the attacking role. Our midfielders, Nishkala, Ebony and Caitlin were all over the field and set up a lot of our goals. Our defenders, Jemima, Jaida and Phoebe helped keep the ball away from our goal. We had a great season, winning most of our games and only losing to Abbotsford. Thank you to our coaches, Mrs Donnelly and Mrs Hughes, for giving up their Monday afternoons to help us train and for refereeing our games on Fridays.

By Jemima and Nishkala and the Junior As

Junior Bs

We had a very good season. We grew in confidence and made the semi-finals. Amelia H was a great goalie and managed to save many goals. Amy, Kyra, Victoria, Claudia, Amelia C, Erika have all played as attackers and midfielders and we have learnt a lot of skills. Aditi, Annika and Areli have played in defence and helped to keep the ball away from our goals. Everybody in the Junior Bs agreed that this has been a fun and successful year.

By the Junior Bs

Season wrap

Well done to the 36 girls who have been training, kicking, passing, dribbling, throwing, running, saving and scoring every Monday after school and every Friday afternoon for the past two terms. They have trained hard and played hard with great sportswoman ship and enthusiasm. Each player contributed her skills to the team and developed her knowledge and awareness of the game. All 3 teams; Junior As, Junior Bs and Seniors, won games, drew games and lost games and did enough to make it through to the semi-finals. Our Juniors Bs and Seniors fought hard but lost to some very strong opponents. The Junior As won their tight semi-final against Strathfield South making it through to the preliminary finals. They came up against the always strong Abbotsford and unfortunately went out of the competition with a 2 - 0 loss.

We would like to say a big THANK YOU to all the girls for being such great ambassadors for Summer Hill Public School. It has been a pleasure to guide you in your footballing journey and take you out of the school each Friday to play against the other schools in our zone. We hope you carry on playing (and practising your ball skills!). For our Year 6 girls, best of luck in High School and for the rest of the girls, we hope to see you on the football fields again in 2020!
