

## Principal's message

We have welcomed the ease in restrictions in recent weeks, providing increasing opportunities for students to be involved in school and extra curricula activities. I have the pleasure of hearing our bands and orchestras rehearsing from my office in the mornings, and I know the students are thrilled to be able perform together again.

We welcomed our 2021 Kindergarten students (74 so far!) into our classrooms over the past three Tuesdays. Everyone had a great time listening to bear stories and completing bear crafts. This week we finished the orientation with designing a crown to wear to the teddy bear's picnic. Our current Kindergarten students were very excited to join with our new students for a quick snack at the back of the classrooms. Some of our Kindergarten students were special helpers in the classrooms and all the teachers were impressed with how they greeted and helped our young visitors. The teachers were also very happy that there weren't many tears! We look forward to welcoming all our Kindergarten families next year.

On Wednesday 11th November students and staff commemorated Remembrance Day with a brief message from our student leaders Angus and Kristy, a poetry reading and a 1 minute silence as a sign of respect and a time for reflection.

After a long standing service to public education class teacher Ms Glenda Bell is retiring. Ms Bell 'spent 6 wonderful years at Summer Hill working with an absolutely outstanding staff. I loved the way everyone cared for each other. Finishing my full time career teaching OC children for 6 years was the icing on the cake for me. I loved every minute spent with those quirky, academically driven children. They were all amazing individuals who taught me a few things about resilience and determination. Coaching the debaters for 6 years was so rewarding for me. To see them transform from novices to champions was amazing'. We wish you all the best Ms Bell. We also farewell class teacher Ms Lorraine Coote. Ms Coote has resigned from her position at Summer Hill Public School to take up opportunities to teach closer to home. Ms Coote had an 'enriching experience' during her time here. We wish you good luck in your new schools Ms Coote.

The safety and wellbeing of our students' is a priority at Summer Hill Public School. When students are required to take medications at school they are supervised closely by a member of staff, and are only given dosages that have been approved by medical practitioners. Occasionally parents and carers provide the school with over the counter medications for their child. If your child is required to take medication at school the office must be notified and medications supplied. Students must never be responsible for administering their own medication throughout the school day; they should not have it in their bag, lunch box or pocket. We appreciate your support in ensuring our procedures for medication at school are followed.

Thank you for taking the time to read about what's happening at Summer Hill Public School, we are very excited to report what our students have been doing. If you enjoy reading our newsletter and would like to see what's happening around the school more regularly visit the website at <https://summerhill-p.schools.nsw.gov.au/>. ## NAIDOC Week

### Mascots Banners

As well as celebrating Aboriginal Culture throughout our school this week in so many ways we have just purchased these amazing house team banners for our school, showing the Indigenous names for each of our mascot animals.

### Acknowledgement of Country

Our Acknowledgement of Country is now live on the [school website](#).

## GreenWay Art Prize 2020

Congratulations to Kimaya D who has won the GreenWay People's Choice Award with her artwork "Bird Bridge". Built out of recycled materials like coffee cup holders, blutac, cardboard bake base and peanut shells, the piece symbolises two adults walking across a GreenWay bridge while the cardboard "wings" signify the many birds which live along the GreenWay.

**Second hand uniform shop**

A reminder that the Second Hand Uniform Shop is now online. The dedicated team of volunteers have worked hard to make accessible a Covid-safe method of purchasing second hand uniforms for our students. Please visit [summerhillpandc.org](http://summerhillpandc.org) and visit our 'How it Works' page. If you are unable to purchase uniforms online, or have any enquiries, please email [SHPCUniShop@gmail.com](mailto:SHPCUniShop@gmail.com).

Stock is already running low (!) so if you have uniforms that you wish to donate there will be collection tubs at the Moonbie Street gate every Friday at drop off and pick up until the end of term.

**P&C AGM -Tuesday 15 December 2020**

We will be holding our P&C AGM on December 15th. This is a great opportunity to get involved with the P&C by either standing for, or voting to select, our Executive.

The latest Department of education guidelines (at time of writing!), give schools permission to hold P&C meetings once again on school grounds. However this is only if the maximum number of attendees does not exceed 20.

Therefore, prior to the meeting the we will send an email to our database asking for RSVPs. If the number of RSVPs exceeds 20 people, the meeting will be held online via Zoom once again.

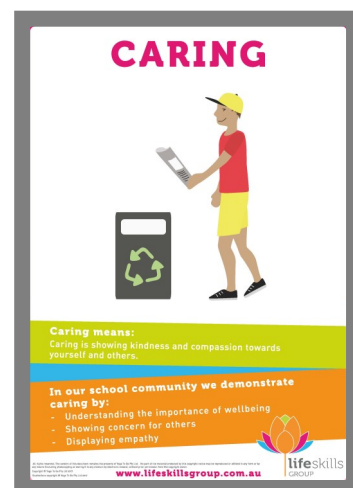

If you wish to be added to the email database please email the P&C at [summerhillpublicschool@pandcaffiliate.org.au](mailto:summerhillpublicschool@pandcaffiliate.org.au)

A reminder also that only members (those who have given a gold coin donation at some point during the year) are eligible to vote at meetings. This is particularly important with the AGM coming up in December. If you wish to arrange paid membership please email the P&C at [summerhillpublicschool@pandcaffiliate.org.au](mailto:summerhillpublicschool@pandcaffiliate.org.au) or there is a P&C box at the school office for gold coin collection. The coin can be placed into an envelope with the members details and we will collect the box prior to the meeting.

**Mindfulness program**

The Life Skills Group program, Mindfulness in Action, recently commenced and the students and teachers could not be more excited! Mindfulness is the practice of being fully present to what is happening in the moment, without thinking about the past or imagining the future. Life Skills Group programs are curriculum aligned. Each week Life Skills teachers facilitate classes aligning lifelong values, fundamental movement, and positive psychology through various games, breathing exercises, guided stories and relaxation. Each stage is developmentally appropriate and carefully geared to each specific year level. We are happy to be working with you, your child and the school community to support, grow, inspire, and build happy, healthy children.

Visit the [school website](#) to follow your child's [mindfulness program](#) and practise the daily activities with your child. Remembering that the practice of mindfulness works best when it is maintained regularly, even if in very small ways. We can assure you it will be fun and a lovely way to spend a few minutes extra with your child.

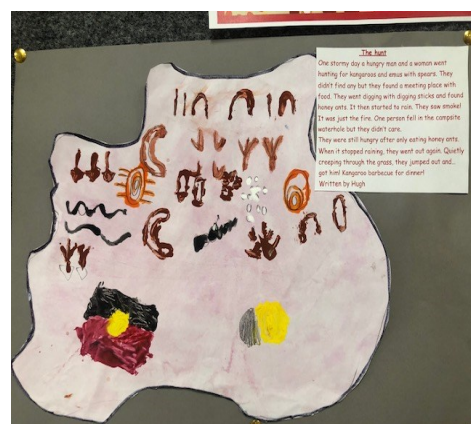

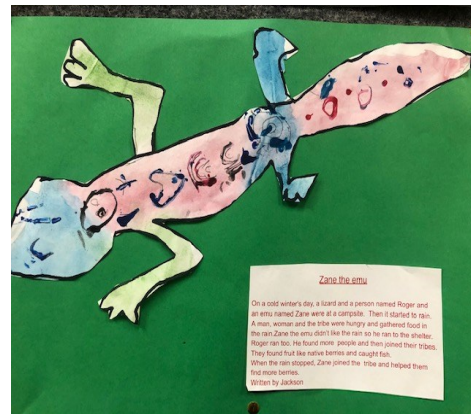

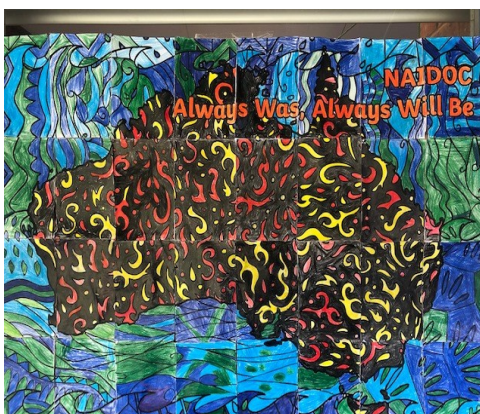

## Kindergarten

Kindergarten students collected beautiful gum leaves from our garden and decorated them. They worked together in small groups to make them into wreaths for Remembrance Day.

## Stage 1

In Week 5, Year 1 and Year 2 celebrated NAIDOC Week. The theme for 2020 is “Always Was, Always Will Be”. Students participated in reading Dreaming Stories, creating collaborative posters, writing stories using symbols and creating artworks to celebrate. Students also participated in the Remembrance Day assembly led by our Student Parliament via Zoom to remember those who died or suffered for Australia in all wars.

#### BUZZ!

Bang, Boom, I'll get a Baboon.  
Bang, Boom, I'll get a Balloon.  
Bang, Boom, Bangy Bang Boom.  
Such a good Bang and a Boom.  
Bang, Boom, look at the butter.  
Bang, Boom, the butter is better  
Such a good bang and a boom.  
Together they make a Buzz!

#### Billy baked a bagel

Billy baked a brilliant bagel he bought from the bakery.  
Billy ate the bagel bought from the bakery.  
The Bagel was brilliant,  
So he bought another brilliant bagel.

#### The nanny

Nicholas hired a nanny named Ned for his son,  
The Nanny came one November night.  
Nanny claims to have won nine Nobel prizes,  
She made nutritious noodles which where a nightmare.

Ned neglected Nanny's instructions,  
And gave the nickname 'Nerdy Nattie',  
Ned baked a nugget and sent Nany North.

## Students in 3KK have been learning to write exciting and meaningful endings to their stories. We read *The Red Tree* by Shaun Tan. Before reading the ending, students wrote their own. Alliteration poems by 3HR

But sometimes, things can change. After a while, things can be positive. People soon understand. They realise how you're feeling. Soon enough, they care. Everything becomes happier... And so do you.

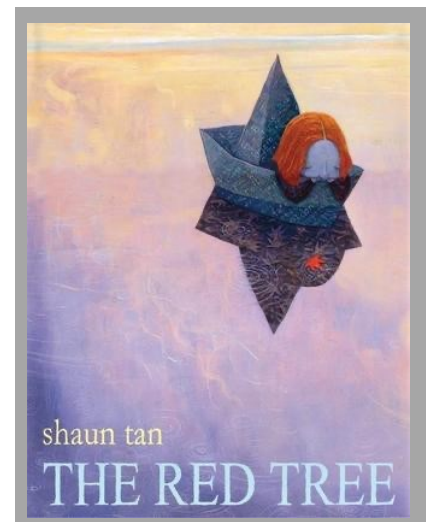

Anthony, Jeremy, Jamie

As you look up, the darkness, loneliness and confusion parts, revealing a beautiful, happy world. If you look up and let the things around you soak in and just be happy, you can avoid sadness.

Frankie, Angela, Yejin, Jasmina

The hopeless girl made a huge boat out of rubbish. That night she sailed to find another world. She saw a glittering red tree in her line of view. She sailed towards the shore of the island. She slept in the boat and woke up to the sound of music by maracas. Her greatest dream had come true! She was happy! It was like all her worries had gone away and she now had friends!

## Stage 2 - War poems

Poppies sprout in Flanders Field  
Acting like a little shield  
Protecting those who have died  
Bringing hope to those who cried  
Why poppies? We don't know  
Maybe hope for those down low  
Would something special be re-  
vealed...

by Tillara 4TK

Sadness and darkness everywhere  
People dying  
Bombs explode like thunder  
The scent of poisonous gases  
Soldiers battle  
The air is dirty and musty  
House blown up  
The cold wind gives me an unhappy  
feeling  
Everything around me broken and in  
pieces  
Families lose their loved ones  
Shed unhappy tears

by Natalie R 4TK

Ashes were burning on my cheeks  
The war had been lasting for weeks  
Dead bodies littered everywhere  
The general gave me a glare  
BANG! A mortar shell landed  
Civilians abandoned  
All hope lost  
The world covered in a frost  
Sudently a flower  
A symbol of power  
Tanks rumbled over in ager  
Like they have a never ceasing hun-  
ger  
A ray of hope.

by Frank 4TK

War is fighting  
It is about people  
People are crying  
They loved their dad  
Dad died in war  
Never to return home  
Ever again

## Stage 3 - The 2020 Game Changer Challenge

Last Friday, on the 30th of October, six students represented Summer Hill Public School (as the "Summer Hill Sparrows") in the Game Changer Challenge, a design thinking competition. Those 6 students were Max, Owen, Bhargavarama, Constantina, Mira and Susan. Mr Williams supported us all through the day, helping us take our initial idea through the design thinking process.

The NSW Department of Education's Game Changer Challenge is for STUDENTS to try and solve a real world "wicked" problem, using a theme and taking that problem through the design thinking steps. Our theme was "How can technology bring our community closer together?"

We were trying to solve the problem for students who were not able to attend school for medical reasons. It originated from our own Covid Lockdown experience and online learning. We really missed socialising in the playground and to solve that problem, we went through the steps of design thinking to find a solution. Our solution was a "virtual playground" that both students at school and outside of school (home or hospital) could participate and interact.

Although we didn't make it into the Game Changer Challenge grand final, we learnt heaps about the design thinking process and had a lot of fun and that it is what really matters.

Here is some feedback from our teammates:

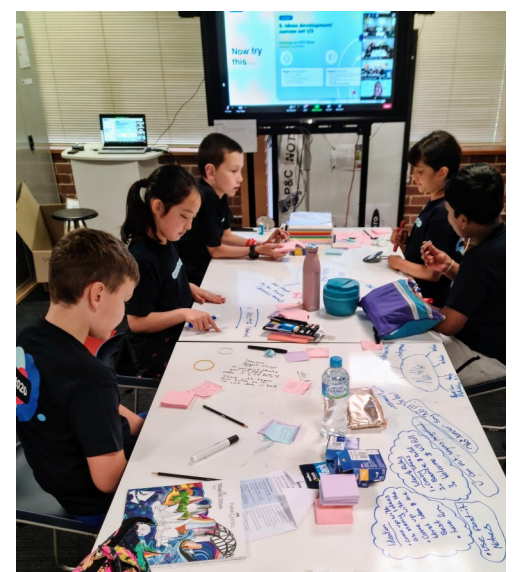

Max: "It was a fun and a good learning experience".

Bhargavarama: "I thought it was really cool because I got to meet and work with Brian and Summer, who are professional design thinkers who work for the Department of Education."

Mira: "I loved this experience. At the start of this year I had no idea that there was a thing called design thinking. I really learnt about it on the day, though I did have some knowledge due to the very frequent meetings with the team and Mr. Williams that took up our lunchtimes preparing. It was so amazing coming up with a solution to our problem and by the end of it, my brain was hurting!"

Susan: "I really enjoyed having the chance to do something so interesting. Even though we didn't make it into the grand final, at least we tried our very best. I really liked meeting all the judges and mentors. Though I still think our idea was the best!"

By rookie reporters: Susan and Mira, signing off.

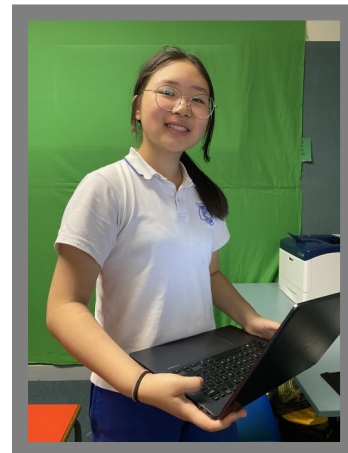

## Stage 3

### Public Speaking Region Winner

During Term 3, we underwent extensive learning in the area of speaking and listening, a mandatory part of what we learn. This took the form of the Stage 3 Public Speaking Competition. Representatives were picked from every Year 5 and Year 6 class, who competed at a stage competition. The winner would progress and move onto the next level, where they had to represent Summer Hill Public school. Each class representative presented both their prepared speeches and were as ready as they could be for the impromptu speeches.

I was the successful winner of the Stage 3 competition. This meant I progressed to the next level of the competition, where I represented Summer Hill Public School in the Canterbury region. I recorded a video of myself delivering my prepared speech. This was the same speech I delivered at our Stage 3 school competition. My topic was: 'why money can buy happiness'. On Wednesday 21st October, I presented my impromptu speech via a live Zoom link. The topic of the impromptu speech was 'surprises'. It was a very interesting experience and it was great to see other schools from the area 'zoom-ing' in. In the end, I won the regionals and I will be proceeding onto the finals. This will be held in November, where I will represent Summer Hill Public School and the Canterbury region.

### Nishkala 6SO – Raising Awareness and Funds for Alopecia

I have been growing my hair for around two years, to help people with Alopecia. Alopecia, is a condition that causes people to lose hair from a single area or from multiple areas of their head, face or body. To help the people with Alopecia, I went to AAAF (Australia Alopecia Areata Foundation) and found out how to donate my hair. My mum helped me to create a page where people can donate money to help support Alopecia. I have raised \$550 of AUD. On the eighth of November, I went to the hairdressers, and cut off 36cm of hair. It was a fun and meaningful experience. I am glad that I was able to help people with Alopecia.

### 6AW – Donating Hair for Alopecia

My name is Jed and I have been growing my hair for the last three years. I made the decision to cut my hair before the hot summer arrived and thought what would be better than donating my hair to a charity. Mum found the charity Sustainable Salons and we headed off to a hairdresser who is involved in this charitable organisation. They will donate your ponytail to charitable organisations and local wig makers where they can become wigs for those suffering medically induced hair-loss conditions such as Alopecia and cancer. I managed to donate six ponytails (20 are needed on average to make a wig) and feel proud that I have made a difference to someone's life.

## Year 5 Theatre excursion

On 5 November all of Year 5 attended the Drama excursion Flashbacks at the Seymour Centre, produced by the Treehouse Theatre.

Flashbacks was about young refugees' life experiences. Carine 5MA

Flashbacks is about traumatic events that have happened to them causing them to flee. Ezekiel 5MA

The beginning and end of Flashbacks was enjoyable and funny. The middle was very emotional. Natalie 5AW

I learnt that if you have suffered serious trauma your brain will feel threatened. Jemima 5MA

It made me feel fortunate for what I have. Miki 5MA

I learnt about their situations back in their home countries and why they had come to leave. Desmond 5MA

The play made me feel grateful I am safe and have freedom. Symon 5MA

It is a play about finding home and belonging. Victoria 5AW

## Year 6 design work - project based learning

In the leadup to their Film Festival, Year 6 students have been taking on some design tasks relating to the theme. These artworks were produced to complete the 'Design a Logo' and Design a Virtual Ticket' tasks.

Applications close on **Tuesday 24 November**. Any applications made after that time will be placed on a waiting list.

## Notes from the music room

### Busking for books

Students from the Advanced Ukulele Group took their talents to the gates to raise funds for Indigenous Literacy. They raised \$140 as well as providing some welcoming morning music. We have had limited opportunities to perform this year so it was a great opportunity for the students to perform to an audience. A big thank you to the students for their efforts and organisation for a worthy cause during book week.
