

## Principal's message

Welcome to the 2023 school year at Summer Hill Public School! I am proud of the way our students have returned, ready to learn, ready to share what they have learned over the holidays, ready to meet new teachers and ready to meet new friends.

We have many new faces joining us this year at Summer Hill Public School, namely our Kindergarten students, Year 5 students in our Opportunity Class, Year 3 students from Yeo Park Infants School, new families, new SAS staff and new teachers! Welcome Ms Cake (Relieving Deputy Principal 2023), Mrs Morris (Relieving Deputy Principal Term 1) and Ms Logan (Assistant Principal Early Stage 1). We also welcome classroom teachers Miss Prax, Ms Taylor, Miss Duggan, Miss Flusk, Mrs Geha and Miss Apostolov. Miss Ross has also joined our team of School Learning and Support Officers. We are all looking forward to a productive year of learning for our students, families and staff.

We have had a number of events and activities already this term. Kindergarten students completed their Best Start assessments last week and started school on Monday this week. Students in Years 2 to Year 6 participated in our annual swimming carnival on 1 February. I was a proud Lewis supporter on the day. Year 5 students went to camp from Monday to Wednesday this week. Making a floating raft was fun, and dismantling it at the end a challenge!

As always, we have many up and coming events, activities and celebrations. We also look forward to working closely with the P&C events planning team for some combined P&C events in 2023; we hope you can join us for all or some of them. Of course, our P&C are always looking for new and existing parents and carers to volunteer in numerous ways during the year. If you would like to volunteer some time to support our school and of course meet some other parents and carers, contact our friendly administration team or the P&C directly.

Meet the Teacher sessions will be run next week, Week 4. We hope you can join us to meet your child's teacher and find out about the enriching and engaging learning experiences we have planned this year!

Finally, I'd like to congratulate Miykal K 4 Kanga who was successful in gaining a position in the NSW Public Schools Junior Singers, and Kavya D 4 Kanga for being awarded Highly Commended for the Jo Haylen MP 2022 Christmas Card Competition.

Thank you for taking the time to read about what's happening at Summer Hill Public School, we are very excited to report what our students have been doing. If you enjoy reading our newsletter and would like to see what's happening around the school more regularly visit the website at <https://summerhill-p.schools.nsw.gov.au/>. ## Sustainability Sub-Committee Report

The Sustainability Sub-committee works to reduce the environmental footprint of the school and P&C events by educating the school community about sustainable living, with activities to encourage recycling and composting, waste free lunchboxes, riding or walking to school, saving energy and water and conserving native plants and animals.

This year, we secured grant funding in the form of the NSW Community Building Partnerships Solar PV Grant which allowed us to install a new solar PV system.

We participated in the National Ride to School Day and also worked with the canteen provider, Yummy Bears Kiosk, to develop waste-free menus and a key to communicate this to parents who wish to purchase waste-free items.

Over the course of the year, the school was also used as a collection point for parents to drop off recyclable items such as: Clothes, shoes, linens, e-waste, soft plastics, batteries, beauty product packaging, CDs and DVDs, lightbulbs, polystyrene, toys and books.

Finally, we also are involved in the pre-event procurement of environmentally sustainable suppliers, and the post-events clean up and sorting of rubbish and recycling.
