I would like to congratulate all of our students for their demonstration of our 3Rs – Respect, Responsibility and Resilience during Term 3. Despite the challenges faced due to Covid restrictions during the term, our teachers have worked hard to make sure students continue to have a diverse range of opportunities and experiences. I’ve mentioned just a few events and activities below; you can read about many more throughout our newsletter.

This week, we are celebrating our reimagined biannual art show. Showcasing the performing arts is a highlight for our school and we are proud to have every child’s art work displayed in our virtual art gallery. We have had over 1000 views so far. Similarly, sport provides another opportunity for students to extend their skills beyond the classroom – and this week students are participating in our reimagined athletics carnival, a one week event extravaganza!

Last week our Year 5 and 6 students participated in the Stage 3 Public Speaking competition. Angus, Ezekiel, Yevin, Julia, Isabelle, Edie, Naomi, Anna and Keira made it through as class representatives, well done! Keira 6SO was announced as the winner and will proceed to the next level of the competition (with Anna as runners up). Congratulations to you both!

Light It Up Red for Dyslexia is a very important annual event at Summer Hill Public School – it allows our community to celebrate the strengths of our students with dyslexia or dyslexia type learning needs. Students and staff will wear red this Thursday to raise funds for the Australian Dyslexia Foundation.

I wish you all the best for the upcoming holiday and look forward to seeing you all again in Term 4.

Thank you for taking the time to read about what’s happening at Summer Hill Public School, we are excited to report what our students have been doing. If you enjoy reading our newsletter and would like to see what’s happening around the school more regularly visit the website at https://summerhill-p.schools.nsw.gov.au. For day to day updates and reminders download our Skoolbag App for your phone or tablet device. Click here to go to the school website for further information to upload to your device.

Students from 2AD and 2VW have proven themselves to have ‘green thumbs’ this term. As the first student custodians of the rejuvenated school vegetable gardens, they have demonstrated wonderful collaborative skills. Small groups worked together to plant, tend and harvest from the same garden bed. They are justifiably proud of their achievements. They were able to revive our school tradition of donating produce from the vegetable garden to the Exodus Foundation’s food program. The chefs from Exodus were very impressed with the standard of the produce students had grown, which was all used to feed homeless people from our local area. Well done, 2AD and 2VW!

Congratulations to 2AD and 2VK – Year Two Vegetable Gardeners Extraordinaire.
Communications

Wear it Purple Day

Thank you to all of our students and teachers for getting into the spirit of Wear it Purple Day. We are proud to be a school where all students and their families feel welcomed and respected.

On the day, 28th August our student ministers and buskers raised $361.00 for the Wear It Purple Foundation and our students enjoyed a colourful dress up day.

P&C update

The P&C held its regular meeting on Tuesday, September 15th via Zoom. Thank you to everyone who participated. We’re really please how well the virtual meetings are going and welcome anyone who wishes to participate. Our next meeting will be held on Tuesday, October 20th at 7:15pm via Zoom.

SHPS Art Show 2020

Thank you to all of the volunteers who helped hang a selection of the Art Show paintings on the school fence. The art looks amazing and we encourage everyone to view the online gallery where every child’s painting is on display.

Used uniform shop

Thank you to everyone who donated used uniforms at our collection points last week. The Uniform committee volunteers have been hard at work sorting through piles of clothes and we look forward to the Used Uniform Shop being up and running again very soon.

Upcoming events – volunteers needed

There are two events being provisionally planned for Term 4, both of which would be run as Covid-safe events, however, any final go-ahead would be subject to health guidance and restrictions closer to the time.

Spooky Disco – Friday, October 30th
Twilight picnic – Saturday, November 14th

If you are interested in volunteering to help organise these events, please email the P&C at summerhillpublicschool@pand caffe itate.org.au

Kindergarten

A busy Term 3 for Kindergarten

Kindergarten students participated in a range of learning activities throughout Term 3. This term the students came together as a whole grade to present their weekly news during News Café, for collaborative writing with all the Kindergarten teachers and Miss Edwards. Each class participated in weekly Got Game lessons and the Athletics Carnival in Week 10. Students also celebrated 100 Days of Learning and NAIDOC Week. During Fruit & Veg Month, each class participated in the Crunch and Sip Competition and many students received a House Token for Waste Free Wednesday in Week 7. The Summer Hill Art Show provided an opportunity to celebrate each student’s creativity in a digital format, with four Kindergarten artworks on display outside the school. What a busy term for the Kindergarten students!

The Kindergarten Teachers

Stage 1

Summer Hill Art Show

Stage One were very excited to participate in this year’s Art Show. During our assembly we got to congratulate all of the students who won the Art Show poster competition. These posters included colourful, bright and eye catching designs. We also celebrated the students who won the People’s Choice Awards. Their artworks will be displayed around the school fence for everyone to see! All of the students who participated in the Art Show this year will have their artwork uploaded onto the school website.
Isabelle had to put herself into the shoes of King Gilgamesh and express how he would have felt after his friend Enkidu had passed away. It feels as if the happiness in my heart, my soul and my brain has been buried away deep in the deepest hole in Uruk, to never be felt again. I feel like I can still hear Enkidu- screaming, shouting and weeping. Reality has hit me. Enkidu is dead. I can still see the look of deep depression, no God can help now. He is dead.

By Isabelle 4SR

There was once an echidna called Elly, Who always walked round kind of smelly, She dipped into a pool, It was ever so cool, Then she went back home and watched some telly.

By Aarya 4SR

There was once a girl who could fly, So she decided to go up in the sky, She flew of a cliff, And started to lift, But then plummeted down and died!

By Caitlin 4TK

There was once a boy who was an energy bender, He was only small and slender, So he went to the gym, And got better than thin, And fought a man named Blender.

By Lewis 4TK

There once was a girl who could shape-shift, She decided to turn into a lift, But the lift went down, And turned very brown, So no more was she seen as swift.

By Aerin 4TK

There was once a girl with earth powers who could grow big fantastic flowers she didn't have air she was very fair sometimes they'd grow as big as towers

By Prue 4SP

There was once a girl with water powers Who swam all the time every hour She could breathe in the sea And climb up a tree Then she went to live in a tower

By Millie 4SP

There was once a girl with air powers
She was really fair
Sometimes they'd grow as big as towers

By Prue 4SP

STEM lessons are designed to challenge a student's creativity and problem solving skills. This week our challenge was to design and make a marble maze using a limited supply of equipment. Lots of learning and fun!

4TK have been looking at data displays and the students made posters in groups on the ecological footprint of the class.
Across the stages

Stage 3

Students Rebuild School Using Minecraft
A team of Year 5 and 6 students have been busy recreating the school using the online platform Minecraft. The team, led by Owen S (Year 6), has spent many of their lunchtimes this term in the school library, working collaboratively. Each part of the school has been measured for scale and designed online, right down to the garbage bins in the playground. Ms Armstrong has even helped out with the initial planning and measuring.

We look forward to seeing the project presented at a future school parliament.

Mr Williams

Summer Hill Students reach State Semi Final
A team of Year 5 and 6 students have successfully reached the Department of Education's “Game Changer Challenge” Competition. The team of 5 students submitted a proposal (Written report and film) that answered the question: ‘How might we use technology to bring everyone in our community closer together?’

The Summer Hill Sparrows proposal included an element of design thinking and innovation. “Summer Hill Sparrows has been selected from among hundreds of submissions from across the state to participate in the Game Changer Challenge 2020 semi-finals. The judging panel was unanimously impressed with the calibre of innovation, technical skill and humour among all our entrants, and the competition was extremely high.” The semi-finals take place next term in a virtual environment. Good Luck Sparrows!

Mr Williams

5MA enjoyed going on a “gallery walk” to check out all the awesome “Peoples choice winners” artworks around the school gates. We are extremely proud of Scarlett for being our class winner!

Summer Hill Public School's New Multicourt
Summer Hill Public School's new multicourt has just finished renovation!

In 2019, Term 4, the school had a Fun Run, where students asked locals, parents, neighbours and family to sponsor them to run. The school raised $51,000 and it was Ms Armstrong, the school’s principal, who decided to spend it on our battered, old basketball court.

The old basketball court was run down and had broken concrete and rusty hoops. In 2020, when the Covid-19 lockdown struck, machines could be seen building and leveling out the soon-to-be multicourt. By the time the students came back to school, the multicourt was nearly finished and within a few weeks it was finally open to students. "It's the best thing to happen to our playground since the astroturf went in on the field," said Mr. Warnock, the school's deputy principal. The multicourt features six different sporting courts. These include: two handball courts, volleyball, basketball, soccer, netball, tennis and you can play many other recreational sports on the court as well.

For images, other renovations and interesting events, visit our school website.

Stage 3

Debating at Summer Hill Public School

As you many of you may know, on the 16th of September, the third and final round of the Inner West Premier's Debating Competition took place via Zoom. Summer Hill’s debating teams, the Scorchers and Strikers, celebrated yet another double win against Ashfield Public School's debating teams, the Blues and Reds on Wednesday.

The Strikers are currently undefeated, while the Scorchers have only lost one debate (against the Strikers). Both Summer Hill teams have beaten all other schools in the area. The debating topics in this round followed 3 main themes; sport, health and fitness.

The Scorchers were up against the Ashfield Blues and their topic was that all students should have a 30 minute exercise class at the start of the day. Their stance was negative, yet we still came out victorious.

The Strikers were up against the Ashfield Reds and their topic was that all unhealthy foods should be banned on school premises. Their stance was affirmative, and the team came out on top as well, ending in a victory for both teams.

Congratulations to both teams! We wish you all the best in the debating state finals!

SHPS Scorchers and the SHPS Strikers

Public Speaking at Summer Hill Public School

As many of you in Stage 3 may know, for the past few weeks all classes in Year 5 and Year 6 have been delivering persuasive speeches to demonstrate their public speaking skills. Out of all of the contestants, only one from each class was chosen to move onto the stage final, where these students competed against each other.

The speakers chosen from each class were Yevin 6AW, Edie 5MD, Angus 6CM, Anna 5SH, Naomi 5PW, Julia 5AW, Isabelle 6FD, Ezekiel 5MA and Keira 6SO.

The speakers all had different prepared speech topics, however they all had to do their impromptu speech on the same topic. The impromptu speech topic was 'The Arts (music, drama, visual arts and dance) are Essential'. The speakers had five minutes to prepare the speeches, and two minutes for their actual delivery.

Congratulations to Anna L 5SH who was the runner up of the Stage 3 public speaking competition.

Congratulations to Keira H 6SO for winning the Stage 3 public speaking competition. Keira will be progressing to the next level, where she will be competing against speakers from other schools.
During Library lessons in Term 3 we have explored the short-listed Australian Children's Book Week titles and considered the theme: Curious Creatures, Wild Minds.

**Australian Children's Book Week 2020**

We are glad to announce that the Summer Hill Public School community will be able to join the national celebrations for Australian Children's Book Week this year. The date has been officially changed to October, we will hold our annual book character celebration in some form on Friday 23rd October (Term 4, Week 2). We hope that during the holidays families might find the time to help students put together a simple homemade costume to celebrate a favourite character or to explore the theme, ‘Curious Creatures, Wild Minds.’ Thank you to students and families for supporting this annual celebration of Australian children’s literature. It is a great way to honour the work that students have put into developing their reading skills and develop their appreciation of uniquely Australian writing for children.

As in past years, ukulele buskers at the gates will gather gold coin donations for the Indigenous Literacy Foundation. In that way we can support students in remote communities to have access to great books for children.

Regards  
Carmel Grimmett and Kate Phillips, teacher librarians

Applications open for the 2021 Instrumental Music Ensembles

Available to public school students in years 5-12.
The Arts Unit offers six instrumental ensembles that rehearse on a weekly basis in Lewisham. We have two wind ensembles, two jazz stage bands, one string ensemble and one symphony orchestra. Our ensembles are open to public school students in years 5-12.

These ensembles perform regularly at the Sydney Opera House and Sydney Town Hall, present concerts and workshops in regional NSW, and tour internationally.

How to Apply
Applications will close on Friday 30 October 2020. For more information about weekly instrumental ensembles and to apply visit our website https://www.artsunit.nsw.edu.au/weekly-instrumental-ensembles.

For further enquiries please contact Lindsay Pringle lindsay.ingle2@det.nsw.edu.au or phone (02) 8512 1188.

BE PART OF THE CREW AND HAVE A BLAST...FAST!

- Australian Cricket Skills Clinic - Woodworths Pop-Up Clinic, Learn, play and make friends; it's fun and free!
- The fun of Woodworths Blast Clinic including basic skills development through to short games of cricket.
- Play cricket for longer with programs running all year-round.

Try to win and make more friends!

POP-UP BLAST CLINIC
AGES 5-10 | 8am-9am
Everyone gets a chance to bat, bowl and field in short, high-paced games of cricket. Kids will develop their skills and teamwork through fun games and activities.

### Public Holiday

- **Monday 5 October 2020**
  - Incentre Day
  - All Children
  - **Let's Get Active with Got Games**
  - Today our Educators & children will learn to play healthy & fun outdoor games that promote physical activity!
  - Don't forget to wear your favourite colours!
  - ![Holiday Image](image6.png)

- **Tuesday 6 October 2020**
  - Incentre Day
  - All Children
  - **Springtime Fun!**
  - Activities included:
    - Grass Heads
    - Hanging Gardens
    - Scavenger Hunt
    - Outdoor Games
  - ![Spring Image](image7.png)

- **Wednesday 7 October 2020**
  - Incentre Day
  - All Children
  - **Bike & Scooter Day**
  - Bring your bikes or scooters and have fun riding around the school with your friends.
  - You MUST have a helmet to ride. Please complete a safety check before bringing your bike or scooter in. Children are not permitted to share bikes/scooters.
  - **In Centre Fun:**
    - Make traffic signs
    - Decorate your bikes or scooter
    - Make a license
    - Group Games with a Mexican twist!
  - ![Bike Image](image8.png)

Book Week Competition - Inner West Council

Students are invited to celebrate Book Week 2020 with us and participate in a fun drawing and writing competition. The competition is a great way to connect students to Inner West Council libraries and its services.

The 2020 Book Week theme, *Curious Creatures, Wild Minds* encourages students to be creative and use their imagination to explore this concept further. Last year the standard of writing and ideas in the pictures was outstanding. The council received over 3000 entries and hope that in 2020 they can build on this further and forge stronger connections with schools and students.

There is more information about the competitions here:

Bridge Road School

Forest Area For Hire

- Picnic Area
- Bike Track
- Ninja Course
- Undercover Deck
- Toilet Facilities
- Onsite Parking
- BBQ available for hire

Bridge Road School is the perfect open space area for your next family get together, children’s birthday party or social gathering.

This hidden garden sanctuary is nestled behind Camperdown Oval and features a bike track, ninja obstacle course, large deck, bbq and picnic area.

There is also onsite parking available, toilets and undercover deck.

For further information or to arrange a booking please contact Bridge Rd School on 9519 8389.
